Hi [Ex. 6 - Personal Privacy],

[Ex. 6 - Personal Privacy] has graciously offered to be control at Malpensa for the final portion of the Administrator's visit. She will coordinate with you and others on the details of the flight and estimated arrival from Bologna.

If Pruitt departs on Monday, CG [Ex. 6 - Personal Privacy] will greet him at the airport.

Thanks,

[Ex. 6 - Personal Privacy]

Hi Front Office,

This should have all of the addresses and information Kelly needs.

1. I'm planning on picking up Administrator Pruitt with CDA. Should I stop by her office, or meet in the staging area behind the chancery at 8:30 a.m. on Thursday, June 8?
2. [Ex. 6 - Personal Privacy] and I will stop by CDA's office at 11:30 a.m. on Friday June 9 to leave for the judicial roundtable.
3. The EPA staff briefing on the G7 Communique will be held at the Savoia at noon on June 10. The address is in the document, but we don't have a room number yet. The advance team and I will go to Bologna tomorrow and hope to have more information.

[Ex. 6 - Personal Privacy] the Administrator will now fly Emirates out of Milan. EPA is 90% sure that he'll leave by car from Bologna at noon on Sunday June 11 to be at a White House event on Monday June 12. There is a 10% chance that the WH event could be cancelled, so EPA wants to keep this option open.
